COMMODORE'S REPORT

I am pleased to commence this report by advising members that His Excellency, Air Marshall Sir James Rowland K.B.E., D.F.C., A.F.C., Governor of New South Wales has consented to become Patron of the Sydney Amateur Sailing Club.

The past year has been a very successful one for the Amateurs.

All Social functions were well attended, our race programme was successfully concluded and we were able to meet all of our financial commitments.

The Clubhouse, the facilities and equipment of the Club through the policy of improvement and maintenance have been well maintained.

Membership is increasing with yacht owning members.

The S.A.S.C. conducted the Northcott Day for handicapped children again this year and whilst it has been quoted as the best organised day to date, we believe other days in the past have also been well organised. What is important is that we have maintained a high standard in entertaining the children.

Supported by my wife Beryl, I believe we have been successful in promoting good will and a good rapport between the S.A.S.C. and the other major yacht clubs in Sydney.

This year in company with the Vice Commodore and Rear Commodore and with representatives from other major yacht clubs we have taken a keen interest in the yachting association of N.S.W. A new Executive Director has been appointed and changes are taking place that will be beneficial to the yachting scene. The Cruising Division with Chairman John Ward has continued to provide interesting activities and the increasing members attending are an indication of the success of this Division.

For the first time all the Past Commodores of the S.A.S.C., the Flag Officers, Directors and their ladies gathered together at a very successful dinner at the Royal Automobile Club of Australia.

I would personally like to thank you the members for your support during the year and I am sure you will support me in thanking the other Flag Officers, Directors, Secretary, Treasurer, Chairmen and members of the various Committees for their personal efforts and time they have contributed to ensure the Club has operated successfully and profitably.

This report would not be complete without mentioning the outstanding contributions to the Club by our Assistant Secretary, Mrs Diana Fitzgerald, Mrs Pat Ferris, Mrs Percival, Carl Speers and Tony Ashleigh and Peter Wargent.

- V.W. DIBBEN, Commodore

MEMBERSHIP

The following table summarises movements in membership during the year:

| | 1980 | Joined | Resigned | Struck off | Deaths | Transfers | 1981 |
|-------------|------|--------|----------|------------|--------|-----------|------|
| Hon. Life | 11 | | | | | | 11 |
| Life | 36 | | | | 5 | | 31 |
| Ordinary | 355 | 18 | 17 | 14 | | +16 | 358 |
| Provisional | 16 | 11 | | | | 16 | 11 |
| Junior | 4 | | | | | +1 | 5 |
| Associate | 10 | | | | | | 10 |
| Absentee/ | | | | | | | |
| Country | 25 | | | | | | 25 |
| | 457 | 29 | 17 | 14 | 5 | + 1 | 451 |

Whilst there has been some movement within the table, membership generally has maintained a stable pattern during the year under review.

In reviewing the year your Committee is pleased to report that the bank accommodation previously arranged to assist in implementing the most recent development programme, has now been repaid in accordance with the financial programme.

Looking towards the future, the Committee, after consultation with other Committees of the Board and with the Board itself, sees the year ahead as a further period of consolidation. It is anticipated that some areas of significant replacement and renovation will be undertaken.

In reviewing results it is pleasing to note that these finished substantially in line with the plan handed down to your Board at the beginning of the period. At the same time in setting a plan for the coming year, your Committee was forced to recognise the continuing need to keep pace with rising prices. To this end a proposal has already been forwarded to the Board and Members have been advised of a range of minor but necessary price rises for the coming year.

B. WOODS

BOATSHED

Vice Commodore J.C. Jeremy (Chairman), R. Lawler, W.G. Brown, O.M. Bradley, R. Chapman, P. McCallum.

Progress has been made during 1980/81, with improvements to the Boatshed equipment, with repairs to slipway cradles and the purchase of trestles for the clipway and a pedestal drill for the workshop. The winch on No.2 slipway failed and was found to be beyond economical repair. It has been replaced with a second hand winch which has been thoroughly refitted before installation. Work on the slipways will continue in the coming year.

Demand for Club moorings has continued to be high during the year, with only a small turnover. The waiting list has remained between 8 and 15, and with no prospect of additional moorings being allocated to the Club, there appears no easy resolution to the mooring situation.

"Captain Amora" and "Nancy K" have worked hard during the year, and routine refits are planned for both boats during the winter. The distinctly "agricultural" steering gear now fitted to "Nancy K" has done its duty admirably.

The boatshed continues to rely heavily on voluntary work of Boatshed Committee Members. Tony Ashleigh and Peter Wargent, supported by Carl Speers have kept business moving during the year despite some unexpected hindrances and the Committee joins me in extending our appreciation to them.

CLUBHOUSE

Rear Commodore F.D. Willis (Chairman) & Mrs Willis, Mr & Mrs V. Barnes, Mr & Mrs T. Harrison.

The improved facilities, maintenance and cleaning of the Clubhouse have encouraged increasing use of our premises for occasions, both formal and informal.

These range from the regular general meetings of the Club to include the meetings of the Cruising Division and the Coastal Cruising Club. On the less formal side the Club has hosted competitors in the Production Yacht Series and the Daydream Shield, and extends to a very successful dinner given by the members of the Castle Lagoon Ladies and Gentlemen's Sailing and Drinking Society.

We hope to see this wider use continue to develop as an addition to our regular social programme.

Our speakers during the year have dealt with a diversity of topics. These include, amongst others, the work of the Water Police (Constable Terry Fitzgerald), Installation and Maintenance of Electronic Instruments (Ian Thornton), Sailing an Adams 10 to Hobart (Graham Radford), Mylar Technology (Lee Killingworth) and Sydney Maritime Museum (Edna Stephenson).

We would also like to record our thanks to our good friends at the C.Y.C.A. Jill McLay and Michel le Bars for the use of film from their archives.

Northcott Day was blessed with ideal weather and our guests, the children, responded with perfect behaviour and infectious good spirits. Our thanks are due to all the many members who worked so hard and those who donated the necessaries but a special medal goes to Les Ardouin — a big man and all heart.

Winter Happy Hour continues to meet a need for winter fellowship, further suggestions would be welcomed. The committee and all members would like to thank our helpers from among the membership and particularly Mrs Percival, Tony Ashleigh, Peter Worgent, Carl Speers, and not least, Diana Fitzgerald, for their help in keeping the Clubhouse going.

DAVID WILLIS

DEVELOPMENT & MAINTENANCE

Further development of Club facilities has again been postponed pending repayment of the loans incurred for the kitchen and associated projects. It is anticipated that a change to close-mooring systems as suggested by the Maritime Services Board will loom large in both the expansion of our facilities and calls on our finances in the next two years.

Dedicated work by Carl Speers has continued to improve the state of repair of the Clubhouse, preserving as far as possible the "Olde World" charm of the building. The foyer in particular has been refurnished during the year.

FRANK BUCKLEY

RACING

C.B. Maclurcan (Chairman), Rosemary Hay (Secretary), J. Millard, R. King (Starters), P. Hamilton (Protests), D. Willis (Safety), D.W. Gale (Yacht Register), J. Machonochie (Metre Division), M. Gardner (1st Division), D.W. Gale (2nd Division), B Walker (3rd Division), J Tyler (4th Division), H. Goulder (5th Division), D. Ward (Bluebirds), L. Schneider (Thunderbirds), N. Sawyer (Metre 8 Division), D. Van Kool (Non Spinnaker Division), B. Gamble (¼ Ton Division).

Another terrific season! Whilst winds were generally lighter than normal, all competitors dealt masterfully with a very busy harbour and did so with a minimum of protests.

No.1 Division constantly fielded 18 or 19 boats making it most competitive. The Race Committee again worked well with outstanding contributions by John Tyler & Bruce Walker who constantly and responsibly organised their results.

The Committee extends special thanks to John Jeremy for always being available, Jack Millard and Ray King for Starting Duties and our Tender Driver David Farrell for faithful and ready service.

Championships were conducted for Swanson Dart and Thunderbirds, capably organised by Rosemary Hay. The Production Yacht Challenge suffered a little from a dearth of competitors this year, and should improve in 1982.

Idle Hour Day and the Bob Brown Trophy race attracted more yachts than ever. R. Lawler provided liquid refreshments in both cases.

The S.A.S.C. retained the Daydream Shield by a substantial margin and it is hoped that M.H.Y.C. is not thoroughly demoralised for 1982.

My thanks to Rosemary Hay and all others.

CHARLES MACLURCAN

CRUISING

Meetings have been held regularly on the 4th Wednesday each month at 8.00pm with one or two exceptions where for example the importance accorded the Police speaker justified combining with the ordinary General Meeting for that month. Speakers have been invited to cover both technical subjects such as instrumednts and radio, and cruise stories illustrated by slides. The general standard of entertainment has been extremely high and while some meetings have been supported well, attendances at some were disappointing, Talks by Geoff Payne and Ray Lewis were intensely interesting and well presented.

The Barbecue at Tambourine Bay was enjoyable but poorly supported; The Tara Ipo Trophy event was not supported at all and lapsed for want of starters.

The success of this division depends on support from members primarily by attending meetings and secondly by contributions in the form of suggestions and assistance in arranging entertainment.

A list of publications available from the office, free on request, is kept on the Club notice board. Liaison with Y.A. Cruising sub-committee has been represented at all meetings this year. Although little of a practical nature has resulted this year it is considered important to keep Y.A. cruising alive and well as it could provide an essential link in the future where Clubs may need a unified approach to authorities such as M.S.B. regarding other than racing matters.

DIRECTORS' REPORT

In accordance with a resolution of the board of directors, the directors' report as follows with respect to the club's surplus for the financial year ended 31st May, 1981 and the state of the Club's affairs at that date.

- 1. The operating surplus of the club for the year ended 31st May, 1981 was \$8,654.00.
- 2 No issue of notes or debentures was made by the Club during the financial year.
- 3. The directors took reasonable steps before the income and expenditure statements and balance sheet were made out, to ascertain that there were no bad debts and that adequate provision was made for doubtful debts.
- 4. At the date of this report the directors are not aware of any circumstances which would render the amount of the provision for doubtful debts inadequate to any substantial extent.
- 5. At the date of this report the directors are not aware of any circumstances which would render the values attributed to current assets in the accounts misleading.
- 6. No charge on the assets of the club has arisen since the end of the financial year to the date of this report to secure the liabilities of any other person.

No contingent liability has arisen since the end of the financial year to the date of this report.

- 7. No contingent or other liability has become enforceable or is likely to become enforceable within the period of twelve months after the end of the financial year which, in the opinion of the directors, will or may affect the ability of the Club to meet its obligations when they fall due.
- 8. In the interval between the end of the financial year and the date of this report no item, transaction or event of a material and unusual nature has arisen which is likely, in the opinion of the directors, to affect substantially the results of the Club's operations for the next succeeding financial year.
- 9. Since the end of the previous financial year no director of the club has received or become entitled to receive a benefit by reason of a contract made by the club with the director or with a firm of which he is a member or with a company in which he has a substantial financial interest.
