# Sydney Amateur Sailing Club COMMODORE'S REPORT FOR 2004/2005

All things considered, a good year for the Sydney Amateurs. Our racing fleet is now stronger than it has been for many years, the members are using the Club to the extent that most weekends you will find someone availing themselves of the best DIY waterfront restaurant in Sydney, our finances are in good order and our youth development program with the Mosman Boatshed is starting to pay dividends.

This year saw on one occasion 58 entries for our Saturday racing. This almost exactly matched, I am told, the mixed division entries at the Squadron. This is a great result for Sydney Amateurs and vindicates the member's decision a few years ago to keep Division 2, when it was so nearly given away. It also highlights the efforts of Maggie Stewart and the divisional representatives in building up the fleet. Next year we will, hopefully, have even more starters with an active recruiting program being planned over winter.

In line with our changing lifestyles it nice to see the development of a more casual usage of the clubhouse by members. The kitchen is slowly being upgraded, we have a couple of new barbeques and it is wonderful to see them being used, on race days with most crews now coming back for a feed and a drink, and during the rest of the week by members using their Club.

In line with our past practice of depreciating our assets the Treasurer has produced a conservative set of accounts showing a small loss with an increase in our cash reserves of just under \$75,000. The Board anticipates a slightly better result next year. This should put the Club in a good position to be able to plan for the slipway upgrade in the following year.

At our Mosman Boatshed we are seeing a generational change with the veteran OK fleet gradually being replaced by the SCECGS Redlands sailing programme. Next year the OK Dinghy World Championships on Lake Macquarie may see the end of our OK fleet, but in the meantime this dedicated group of sailors continues to set an example for all of us.

This year the Club entered into a two-year agreement with Redlands which saw them take up two-thirds of the boatshed and their sailing program increase to include over 100 students. A fleet of International Cadets is now a regular sight on Mosman Bay. It is hoped that in the future we will see an upgrade of both their youth development and member's facilities at the boatshed.

And finally I would like to give my thanks, and I am sure those of all the members, to the employees and volunteers who have made it all possible. Patrick Munn in the office who has seamlessly brought the Club into the electronic age and provided service with a smile to all our members and guests; Maggie Stewart, who has organized such excellent racing this year; Rod Phillips, who with Brett Hobbs and now Damien Sass have looked after our boats; Russ Chapman and the starters who have given up their time so willingly for the Club; John Jeremy who has produced our excellent newsletter and last but not least the Board members and other volunteers who have worked so hard this year.

Committee: Richard Lamrock, Tony Saunders, Bill Hogan, Robert Evans, Peter Chapman

The loss for the year was \$1,581 compared to a surplus of \$11,177 last year. Things to note are, firstly, we have sold *Patrick Whittington* at a small profit (\$5,325) and secondly we have now amortised the deferred consideration in full associated with the merger of the Mosman Amateur Sailing Club (\$9,176). Without these two abnormal items the loss would have been \$16,082. It should also be noted that we have expensed the development costs of the slipway of \$17,065 in this year. Little was spent on maintenance of assets. Cash reserves of the Club over the year have increased from \$179,920 to \$254,635 as a result of the depreciation charge of \$72,365, a substantial reduction in debtors and the sale of *Patrick Whittington* (\$10,000).

In the coming year we expect cash reserves to grow by a similar amount. Your Board has been successful in renegotiating the cost of insurances which had grown to an enormous burden on the Club of \$67,903 last year. We expect this expense to reduce by about \$25,000.

Revenue decreased from last year by \$11,019 principally due to lower utilisation of the boatshed services (slipping, labour and materials income down by \$29,312 or 13%). Net of income from the Gaffers Day Regatta (\$6,357 in 2004), Clubhouse income has increased by only 1%. Contribution net of direct expenses from the boatshed services as above has fallen from \$76,133 to \$67,055.

At the Mosman boatshed the increased activities with SCECGS has meant that we may now look at investing further in the facilities at this location.

It is my opinion that further promotion of the Club to increase membership will be necessary if substantial capital funds are to be spent on slipway development. Increased membership would increase utilisation of the facilities and provide a sounder financial footing for the future.

I would like to thank Patrick Munn for his wonderful contribution to the smooth running of the office. The application of computer technology is one of Patrick's finer skills. I thank all the members of the finance committee, especially Tony Saunders for his work on insurance. It is indeed an honour to have served the Club as Treasurer and will continue to do so if re-elected.

# DEVELOPMENT

As flagged last year in the Boatshed report this was the year we started on the planning for the redevelopment of the slipway. The Club has retained the firm of Patterson Britton & Partners as consultants who have managed to untangle the bureaucratic nightmare to the extent that we have now lodged a Development Application. This has involved meetings with NSW Maritime, North Sydney Council and the local Precinct Committee as well as the members briefing.

The DA is expected to take at least twelve months to proceed through the combination of NSW Maritime, North Sydney Council and the Lands Department. Then we start on the process of applying for the construction certificate. We are still probably about 18 months and several-thousand dollars of fees off being able to start work on the slipway.

Given the time scale and the Club's current policy of depreciation allowances we would anticipate funding this development substantially from retained funds.

For those members who are interested in the details of the proposal a copy of the DA and plans are available for member's perusal in the office.

In addition we have further work on the kitchen and a replacement fast tender on the list of things to do for next year.

Robert Evans

# BOATSHED

The boatshed activities have again, this year, continued to underpin the financial strength of the Club. There is a waiting list for moorings and, on most weeks, at least two out of three cradles were occupied on the slips with boats being worked on by their crew and owners or by the boatshed staff of Rod Phillips, Brett Hobbs and more recently, Damien Sass.

The work carried out has ranged from the usual slip and anti-foul to putt-putt rebuilds, and again has demonstrated the level of skill available to members at their own boatshed.

The sales this year were slightly lower than last year but so were the expenses, in line with the smaller work force for most of the year.

The starters' boat *Captain Amora* and the tender *Nancy K* continued to provide sterling service throughout the year again highlighting the wisdom of the deal done with Volvo, now seven years ago, and the preventive maintenance regime maintained since. With the engine in *Nancy K* now passing the 7000 hour mark the Club has purchased a replacement to ensure this high level of reliability continues.

*Patrick Whittington* has been sold and can be seen pottering round the bay in the hands of its new owner Robbie White. *Jack Millard* provided a backup to *Nancy K* on Friday nights and is due for replacement in the near future.

Tender service was provided throughout the year by Mike Power and Warwick Brooks backed up by Robbie White making the occasional guest appearance.

Peter McCorquodale has now handed the maintenance and allocation of moorings over to John Sturrock and again the moorings have been serviced on schedule with near 100% occupancy.

As detailed under Development the EPA compliance project is proceeding and the pollution control measures taken by the boatshed staff with the drip trays and settlement tanks have continued to keep the muck out of Mosman Bay.

And finally I am sure all the members will join me in thanking Rod, Brett, Damien, Robbie, Mike, Warwick and Patrick for their efforts throughout the year.

# RACING

My fellow director John Jeremy recently produced a 35-year statistical record of boats racing at the Sydney Amateur Sailing Club, and apart from a few years in the late 1970s, racing at the Amateurs has never been as healthy as it is now. Our current winter series that hosts around 50 entries is part evidence to this fact. Our past spring and summer season was also keenly supported with the Classic Division increasing their sailing numbers, and Division 2 going from strength to strength. A Division 1 short series was resurrected and we are sure it will to continue and grow in the future. The Cavalier 28s continue to enjoy racing at the Amateurs and although their numbers were down from previous years we are confident they will increase as quite a few new owners of Cavalier 28s are members at the Club. The Friday twilight series was also well supported with over 50 entries in three divisions. Those boats competing regularly were keen to win the trip-for-two to Lord Howe Island, unfortunately there can be only one winner and this year the lucky boat was *Taylor Maid*.

The OK Dinghies continue racing with their focus now mainly on the World Championships at Lake Macquarie in 2006.

Sunday racing was well supported and the Paul Slocombe twilight series was one of the most popular series for boats that enjoy good spinnaker racing in twilight conditions. Our Rear Commodore Peter McCorquodale won this year's Paul Slocombe Trophy — he also won the Kelly Cup, a race Peter's father had won many years ago but it had eluded Peter until now.

Our season started last year with the Lion Island Race, and on the same day we had our Opening Regatta with the day turning out to be a great success with over 25 starters. Hopefully it will now become a regular event in our racing calendar again.

Our other offshore race, the Bob Brown, was well supported and the competing boats enjoyed a quick trip to Pittwater in a healthy south-east breeze ensuring all were securely rafted up at the Basin before sunset.

Our congratulations must go to *Azzuro* and *Bright Morning Star*, two SASC boats that competed in the Lord Howe Race. *Azzuro* came first in her division closely followed by *Bright Morning Star*. Congratulations must also go the crew and committee of *The Amateurs* who won the 2005 National Titles at Lake Macquarie.

During the season the SASC also hosted a number of special events including the Ranger World Championships, The Putt-Putt Picnic Day and a short two-day series for the Young 88s. SASC Boats also competed successfully in many other events including the Australia Day Regatta, The Balmain and RANSA Regattas just to name a few.

This year our race season commences on the 10 September 2005, and we anticipate the race programme will be ready to distribute by early August. The Opening Regatta will again be a single-division race with a handicap start. As mentioned we will also be organising and running the Lion Island Race on the same day. We anticipate a big fleet for the Lion Island Race, as it is now a fixture on RSYS and CYCA offshore race programmes.

Other planning for the 2005/2006 racing season is now well underway. Our Sailing Committee met in May and endorsed the following incentives for the upcoming season:

- Classic Division Due to overall increase in numbers and the substantial difference in performance of the boats the Classic Division will probably be split into two.
- Division 2 The combined rounding marks N3 and NC will be changed to round NC only.
- Super 30 Division Given that there is a ground swell of potential Super 30-type Boats that would like to race at the Amateurs we will continue to support the concept of such a division and will include it in our race programme.
- Division 1 will also continue for larger displacement type boats that wish to race in a short series with handicap starts.
- Southerly Course Due to the Navy removing Naval Buoys N4 and N2 our starting line for southerly courses
  was moved to Athol Bight. This move created problems as other clubs were also starting races in the same
  area. To overcome this the Race Committee has decided that the Amateurs will lay their own mark in the N2/
  N4 vicinity in Rushcutters Bay and move the start back to Shell Cove.
- Idle Hour During the Olympics the Idle Hour Race was rescheduled for the October long weekend to overcome Harbour restrictions. However this date has not worked well and it has been decided the Idle Hour will now be moved back to its traditional date in November, ensuring warmer conditions.
- October Long Weekend A handicap one-division race will be scheduled for the Saturday over the long weekend for those boats who wish to race.
- Sydney Regatta The Middle Harbour Yacht Club is organising a Sydney Regatta on 4 and 5 March 2006. All clubs on the Harbour have agreed to include this event in their programs. At this stage we do not have many details, however it is anticipated that regular divisions and one-design racing will feature, sailing short courses over the two days.

Finally I would like to end my report by extending my thanks to all those racing at the SASC. I firmly believe that racing is one of the strengths of our little club ensuring great comradeship on and off the water. I would also like to convey thanks, on behalf of all those racing at the SASC, to our starting crews who make it all possible. My personal thanks also go to our Racing Secretary Maggie Stewart for her continued support and the enthusiasm and professionalism she puts into the job.

*Guy Irwin* Chairman of Racing

# SYDNEY AMATEUR SAILING CLUB ABN 30 000 409 727 NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2005

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report covers Sydney Amateur Sailing Club Limited and is a company limited by guarantee, incorporated and domiciled in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### (a) Income Tax

No charge has been made in respect of income tax as the Company relies on the exemption from income tax granted by Section 50-45 of the Income Tax Assessment Act 1997. Therefore, it is not appropriate to adopt the principles of tax effect accounting.

#### (b) Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first in first out basis.

#### (c) Property, Plant and Equipment

Property, plant and equipment are brought to account at cost or at fair value less any accumulated depreciation.

The carrying amounts of property, plant and equipment stated as valued at cost is reviewed annually by directors to ensure they are not in excess of the recoverable amounts from these assets. The recoverable amounts are assessed on the basis of the expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to their present value in determining recoverable amounts.

The carrying amounts of property, plant and equipment stated as valued at fair value is reviewed annually by directors to ensure that they represent the amounts for which the assets could be exchanged between knowledgeable and willing parties in arm's length transactions.

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives to the Company commencing from the time the asset is held ready for use.

2005

2004

The depreciation rates used for each class of depreciable assets are:

	2000	2001
Clubhouse	5%	5%
Boatshed and plant	5%	5%
Pontoon	20%	20%
Furniture and fittings	10 - 20%	10 - 20%
Boats	5 - 15%	5 - 15%

## SYDNEY AMATEUR SAILING CLUB ABN 30 000 409 727 NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2005

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (d) Employee Benefits

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to balance date. Long service leave is accrued in respect of all employees with more than 5 years' service with the Company.

The provision for employee benefits has been measured at their nominal amount and is allocated between current and non-current liabilities, the current liability being the amount that is due to be paid in the ensuing twelve months. Because the Company has relatively few employees, the adoption of this basis is believed to produce a result which is not materially different from the present value method prescribed by AASB 1028: Accounting for Employee Entitlements.

Contributions are made by the Company to employee superannuation funds and are charged as expenses when incurred.

#### (e) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. This basis is representative of the pattern of benefits derived from the leased property.

#### (f) Receivables and Revenue Recognition

Trade debtors are recognised and revenue is taken up when the Club services have been provided to members and visitors. Sales revenue represents gross proceeds received and receivable from customers. Collectability of trade debtors is reviewed on an ongoing basis. Debts that are known to be uncollectable are written off. A provision for doubtful debts is raised where some doubt as to collection exists.

#### (g) Comparative figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation of the current financial year.

#### (h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the in the statement of financial position are show inclusive if GST.

#### (i) Other Income - MASC Merger

MASC members were given discounted membership terms for five years to the 31/5/2005 to compensate for the value of assets acquired in the merger namely the Patrick Whittington and the MASC Boatshed. This unearned income is included in the statement of financial position as deferred consideration and amortised over five years in the accounts as "other income".

# SYDNEY AMATEUR SAILING CLUB ABN 30 000 409 727 NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MAY 2005

#### 1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (j) Adoption of Australian Equivalents to International Financial Reporting Standards

Australia is currently preparing for the introduction of International Financial Reporting Standards (IFRS) effective for financial years commencing 1 January 2005. This requires the production of accounting data for future comparative purposes at the beginning of the next financial year.

The company's management, is assessing the significance of these changes and preparing for their implementation.

The directors are of the opinion that the key difference in the economic entity's accounting policies which will arise from the adoption of IFRS is:

#### Impairment of Assets

The company currently determines the recoverable amount of an asset on the basis of undiscounted net cash flows that will be received from the assets use and subsequent disposal. In terms of AASB 136: Impairment of Assets, the recoverable amount of an asset will be determined as the higher of fair value less costs to sell and value in use. It is likely that this change in accounting policy will lead to impairments being recognised more often than under the existing policy.

#### Provisions

Under the new AASB 137 Provisions, Contingent Liabilities and Contingent Assets the costs of restoring a site must be recognised when an asset is initially recognised.

## INDEPENDENT AUDIT REPORT TO THE MEMBERS OF SYDNEY AMATEUR SAILING CLUB

#### Scope

The financial report comprises the statement of financial position, statement of financial performance, statement of cash flows, accompanying notes to the financial statements, and the directors' declaration for Sydney Amateur Sailing Club (the company), for the year ended 31 May 2005.

The directors of the company are responsible for the preparation and true and fair presentation of the financial report and have determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are appropriate to meet the requirements of the and are appropriate to meet the needs of the members. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the directors' financial reporting requirements under the Corporations Act 2001. We disclaim any assumptions of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

#### Audit approach

We conducted an independent audit in order to express an opinion to the members of the company. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report is presented fairly in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the company's financial position, and of its performance as represented by the results of its operations and cash flows. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion is expressed as to whether the accounting policies used and described in Note 1, are appropriate to the needs of the members.

# INDEPENDENT AUDIT REPORT TO THE MEMBERS OF SYDNEY AMATEUR SAILING CLUB

#### Audit approach (cont)

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

#### Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

#### Audit opinion

In our opinion, the financial report of Sydney Amateur Sailing Club is in accordance with:

a. the Corporations Act 2001, including:

- i. giving a true and fair view of the company's financial position as at 31 May 2005 and of its performance for the year ended on that date in accordance with the accounting policies described in Note 1; and
- ii. complying with Accounting Standards in Australia to the extent described in Note 1 and the Corporations Regulations 2001; and
- b. other mandatory professional reporting requirements to the extent described in Note 1.

#### Inherent Uncertainty Regarding Completeness of Income

As is common for organisations of this type, it is not practicable for the Directors to maintain an effective system of internal control over all income until its initial entry in the accounting records. Accordingly, our audit in relation to the income was limited to the amounts recorded.
