Sydney Amateur Sailing Club

COMMODORE'S REPORT FOR 1996/97

I am pleased to present the 125th Annual Report of the Sydney Amateur Sailing Club.

The financial position of the Club continues to be strong.

Ross Munn found that the pressure of work and the time required to be devoted to the Club were too great and he could not continue as Vice Commodore. I am sorry to lose Ross from the Board as he has made a significant contribution to the Club over many years. I hope that he will be able to return to the Board soon.

Our Treasurer, Tony Clarkson, was appointed as Vice Commodore to fill the vacancy. Tony has previously been a flag officer at the Royal Yacht Club of Victoria and his wide experience will be of value to the Board.

The response from members to the proposal to prepare a book covering our past 25 years has been positive and many members have made contributions for inclusion in it. Vic Dibben has been gathering, prompting and reminding members about articles and John Ferguson is working on editing the stories and shaping them into what I believe, will be an interesting volume and valuable addition to the Club's proud history.

Gaffer's Day will be held in October this year and will be a major part of our 125th celebrations. As a special 125th event, Bermudan sloops will be sailing in separate divisions on their own courses on Gaffer's Day. Robert Evans and Nick Cassim are leading a special committee for the Bermuda sloops which will run in parallel to the Gaffer's committee. The Gaffer's Committee, as normal, is headed up by Bill Gale. With the enthusiasm that these two committees will generate, it should be a large fleet which will help add to the spectacle of the day and provide an opportunity for our celebrations to involve more members and their boats.

The other major event in our 125th celebrations will be a dinner at The Taronga Centre on October 31st. We will officially launch our book "*The Amateurs 125 Years*" and present prizes for the participants on Gaffer's Day as well as providing an opportunity to remember the past and plan for the future. It will be an occasion not to be missed.

This is the second year we have had the Adams 10 and its use by members continues to be high. The cost associated with it have been contained by fund raising, the volunteer work by crew members and will be further helped as we have recently been able to obtain an extra mooring for it from the Waterways. I think it is proving a valuable addition to the Club and I urge all members to take the opportunity to use it as it is your boat.

During the year Philip Brown stood down as Chairman of Racing as his business was keeping him out of town much more than in the past. Philip and his committee introduced a number of innovations to the racing programme and I would like to thank him for his efforts. Chris Oh has taken over this role and has continued on with the good work. He is being assisted by Rob Evans and an active committee.

The racing fleet on Saturday has not grown from last year and continues to be well down on past years. Although this is disappointing, it appears to be a similar experience to what other clubs are finding.

In May, Phillip McWilliams, our Boatshed Manager, advised that he was resigning to move north on his boat. Phillip has been with the Club for nearly 10 years and became Boatshed Manager in 1990. Phillip has made a big contribution to the successful operation of the slipways for many years and I thank him and wish him and Heather well for the future.

Roy Simmonds resigned as Racing Secretary after many years with the Club and we thank him for his hard work over the years. Maggie Stewart has taken over and is doing a great job.

It has been a year of change but some things never seem to change. When it comes to pitching in and helping in a practical way Bob, Mick and Jim Lawler have done great work keeping the Captain Amora, Nancy K and the slipways going through difficult times. This sort of Club spirit is important and needs to be recognised. It is for all members to also be prepared to contribute in areas where they have skills.

I would like to thank our Starters and Race Organisers for the excellent work in the past year and also the Board and committee members for helping make the Club run so well.

To Faye, Maggie, Rod, David & Richard, on behalf of the members, thank you for your continued support and hard work.

FRED BEVIS
Commodore.

FINANCE

It is pleasing to report a modest profit for the year of \$1,356.

Revenue declined slightly to \$481,839 and expenditure was down significantly to \$480,483 due to less expenditure on major repairs.

Cash reserves were increased by \$14,837 during the year to \$78,619.

It is pleasing to note the membership decline over recent years seems to have been arrested, and now stands at a net 387.

No major capital works were undertaken during the year.

Administration - This showed a positive result of \$10,568 versus last years \$1,380. This result was mainly due to increased subscriptions received, and a decline in expenditure to \$78,504..

Racing - The deficit increased this year to \$24,402 (versus last year's deficit of \$18,321) due mainly to increased expenditure on insurance and maintenance on the Captain Amora.

Boatshed - Income increased to \$267,717 and expenditure reduced to \$233,475 resulting in a surplus of \$34,242. Increased income was mainly due to improved revenue from mooring fees. Whilst income in total was up marginally, costs were down on last year. Tender driver costs are now shown as a separate charge in the accounts.

Clubhouse - A creditable performance enabled us to keep the deficit down to \$20,776. Whilst income was down by \$5,033, this was matched by an even sharper drop in expenditure to \$113,594, a saving of \$11,655.

"The Amateurs" Adams 10 - As indicated, last year, costs have been contained on "The Amateurs" and a lower deficit of \$4,536 was recorded. It is hoped that more fund raising coupled with lower expenditure will further reduce this deficit next year. Members should note we have depreciated the yacht by \$1,250 this year (previously nil), and a new spinnaker was purchased.

As I have just taken over as Treasurer, I am on a steep learning curve. My thanks to Tony Clarkson who was the man behind the figures. Thanks also to Faye Buckley and Denise Macintosh (who left a short time ago) for their assistance.

For members information, a Finance Committee has been formed consisting of the Commodore (Fred Bevis), the Vice Commodore (Tony Clarkson) and myself.

TONY SAUNDERS,
Honorary Treasurer.

BOATSHED

Vice Commodore's Report

Sub Committee: Russ Chapman, Mike deBurca, Richard Lamrock, Bob Lawler, Keith Radford, Michal Tomaszewski, Dal Wilson.

The first half of the year saw improved sales and profitability from the actual slipway operations when compared with budget and last year. However, a quiet January plus:

- the rebuilding of the No 3 cradle
- a breakdown of the winch on the main slipway

soon brought the numbers back to the levels of last year.

The boatshed staff have been involved in the continued maintenance of the Club's assets and were also involved in the extensive repairs carried out on the Captain Amora. The rebuilding of the No 3 cradle and the repairs to the Captain Amora's gearbox was carried out by Bob and Mike Lawler with assistance from Bill Furness, Jim Lawler, and the slipway staff. A very special thank you to those volunteers.

At the end of May, our Boatshed Manager left to go cruising in northern waters. The Club officially thanked Phil at a special function on the 30th May and wished him well in the years ahead. The Board has agreed to appoint Rod Phillips as the acting Foreman/Supervisor and we intend to operate the slipway with only two staff with casual assistance being provided when slipping large boats.

The pontoon continues to show signs of deterioration but essential maintenance continues to be carried out as necessary as we try to extend the life of the deteriorating section. All moorings have been serviced, but due to heavy maintenance last year we expended less this year.

Again I would like to thank the volunteers mentioned above, the members of my committee, and all other club members who have assisted with the operations of the "Boatshed". Also a thank you to our staff who have consistently attempted to provide a quality service to members, and lastly to Faye for her support in processing the numbers and providing information.

TONY CLARKSON
Vice Commodore

CLUBHOUSE REPORT

The Clubhouse has performed well this year with, yet again, Twilight Racing providing the bulk of our income. The increased prices have had a positive effect on our cash flow, allowing us to pursue several suggestions that have been given as to the provision of services for Twilight Racing. Next season we intend to adopt these suggestions, offering white meat and reducing the price of steaks.

30th May saw the retiring of Phil McWilliams and Heather. We wish them all the best and will miss Heather behind the bar. New arrangements will be made for Twilights and Saturday/Sunday will be tended by your Directors as "Officer of the Day" with help hopefully, from willing hands.

Mother's Day Breakfast on the Wharf was a great success considering the weather. We shall continue these and look forward to next year's event. Events coming up are:

- The 125th Year Celebration Dinner at The Taronga Centre in October. NB This function shall incorporate the Flag Officers Dinner, and

- Of course, Gaffers Day, a new programme being formulated.

Thanks this year to those who have supported the Club House and given their time, especially Robert Evans, Faye Buckley, the Twilight crews, Tony Clarkson, Peter Pangas and Rick Fitzgerald.

DUNCAN HILL
Rear Commodore.

"The Amateurs"

THE CLUB YACHT

This is the second annual report for *"The Amateurs"* and for the past couple of years many of the Club's members have taken her out for a spin, all have returned impressed. Most members started by a quiet yet quick twilight sail but recently more of the interest on how the Adams 10 can really sail has lead to the yacht being entered in various point scores both within and outside the club.

For the second year running Rick Fitzgerald (recent winner of the Idle Hour Trophy) has entered in the CYC Winter Series and has encouraged many new members to assist with crewing, adding to their skills for their own yachts and furthering the experience base in the club. This year the team includes Bob Langley, a new member recently returned from the UK and who has been extremely helpful in the maintenance and minor repairs department.

Other events entered have included the Division 7 point score which Helen Weston entered with a mostly female crew. The yacht is currently entered in the SASC Winter Series with the skipper and crew of Ben Boyd Road presently leading the Point score after two races. Tony Barry is rather impressed with the Adams 10, so much so he says he is considering buying one. I suppose planning at 15 knots down the harbour in a controllable manner can have that effect on people. Could this be the ultimate way to travel?

"The Amateurs" is showing benefits to the Club in various ways and the cost to the Club is being contained by the increased use of volunteer labour and the acquisition of a new mooring dedicated for the yacht.

So if you would like to take part in the programme, please contact Maggie Stewart at the Club to book a spot. If you have any enquiries outside bookings, then please talk to me on 9339.3121 during business hours.

Remember, it is your boat too, so make the most of it.

PETER PANGAS

Chairman Adams 10 Committee

RACING

This year's racing opened with a "changing of the guard"; Philip Brown, Peter Pangas and Roy Simmonds after years of toiling and moiling, all stepped down for personal reasons. Well, the new team found out very quickly just how much has been going on in the background to keep the Amateurs racing machine working!

Maggie Stewart walked over hot coals to pick up Roy's load as the Executive Sailing Secretary. Within days of starting, Maggie had the computer sorted out and was managing the mountain of paper work that the club's racing activities generate: Results Sheets, Starters' Lists, Entry Forms, Safety Certificates, Protests, Changes to Instructions, Notices of Race and the list goes on. Rob Evans, Race Secretary has worked tirelessly to help make sure that the racing ran smoothly and this was between having to rebuild his boat twice. Frankly, without Maggie and Rob our racing seasons would have been a real mess. Fortunately, this report has more to offer.

Although our Harbour Racing Fleet has not grown, there has been some fantastic racing, week after week, not only on Saturdays, but also on Sundays, and Tuesday evenings. In most Divisions, the final results were decided in the last race. In order to maintain this consistency we have relied heavily on the computer to process the results and calculate the handicaps. This has had the added benefit of providing the Club with a wonderful mass of data to generate fair and equitable handicaps for our one off events as well as our very popular Friday Twilight Races and Winter Series.

The "Idle Hour" Race had a thrilling finish with the club's flagship "The Amateurs" crossing in first place by the narrowest of margins. Incidentally, our Commodore Fred Bevis was on board making sure that everything was shipshape and Bristol fashion.

Our two Offshore Races, the Lion Island Race and the Bob Brown Race to Pittwater, attracted healthy fleets and were very popular. The Lion Island Race is now included in the point score for the harbour's combined Offshore fleet. Our Offshore sailors have also competed in the Hobart, Lord Howe Island, Coffs Harbour and Southport Races as well as in the "short" Offshore races. While our Offshore fleet is not growing it is certainly maintaining the traditions set by the quality fleets of the past decade.

Unfortunately, the Amateurs lost the Daydream Shield to Middle Harbour by a close margin.

I extend a very special thanks to our volunteers. Our starter's crew ably managed by Vic Dibben and Peter Garrow, the Safety Inspectors and Division Representatives. Their consistent ability and knowledge is a model for other clubs.

In closing, our racing will thrive if we, as competitors nurture our reputation for good sportsmanship, close racing and general keenness. It rubs off, and each individual can attract others if we share the Club's attitude of moulding our all consuming past time into a sport. Sharing this attitude promotes sailing overall. It's over to you.

CHRIS OH
Chairman of Racing

NOTES TO THE ACCOUNTS

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are a general purpose financial report that have been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) and the Corporations Law, including the disclosure requirements of Schedule 5 of the Corporations Regulations. The financial statements have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated. The following is a summary of the material accounting policies adopted by the company in the preparation of the accounts.

DEPRECIATION OF FIXED ASSETS

Fixed assets are being depreciated on the straight line method by sufficient charges to write off the costs of the assets over their expected useful lives.

STOCK ON HAND

Stock on hand has been valued on a first in, first out basis at the lower of cost and net realisable value.

These accounts should be read in conjunction with the attached report by Horwath & Horwath.
