*128th Annual Report
1999/2000*

Sydney Amateur Sailing Club

ANNUAL GENERAL MEETING

Notice is hereby given that the Annual General Meeting of Members will be held in the Clubhouse, Green Street, Cremorne on Wednesday 26 July 2000 at 8.00 pm.

BUSINESS

1. To adopt the Annual Report, Balance Sheet and accompanying statements for the year ended 31 May 2000.
2. To elect Officers and Directors.
3. To elect Auditors. Greenwood BKT, being eligible, offer themselves for election.
4. To transact any other business which may be brought before a General Meeting of Members.

By order of the Board
TONY SAUNDERS
Hon. Secretary

Sydney Amateur Sailing Club

COMMODORE'S REPORT FOR 1999/2000

The 128th year of the club's operations has once again been a time of many achievements.

Possibly one of the highlights was the decision of the members to agree to the amalgamation of our club with the Mosman Amateur Sailing Club. This union was consummated on the 1 June 2000 and we welcome all members of the MASC into our club.

On the sailing front, a full programme has been maintained, State Championships held, with the only casualty for the year being the cancellation of the Daydream Shield. We have also satisfactorily incorporated dinghy sailing into our programme. The Sailing Committee is currently working on the programme for the new year, which will hopefully give members more options and at the same time, yield larger fleets. Planning for the 128th Anniversary Regatta is well underway and we are holding discussions with the Sydney Heritage Fleet regarding the availability of *James Craig* as our official vessel. An exciting year in the making.

The past year also saw the complete refurbishment of the three club vessels. The work not only resulted in the re-power of the three boats, but extensive repairs were also carried out. Essential maintenance was also undertaken on the pontoon and a re-examination of the club's safety procedures was completed.

Our social activities were conducted on a similar basis to previous years and I understand enjoyed by all members who participated.

The year also saw a re-organisation of the flag officers with Rob Evans resigning and Charles Maclurcan taking his place. We are all appreciative of the effort Rob put in whilst he was 'Rear' and 'Vice'. Tony Saunders replaced Charles Maclurcan as Secretary and Richard Lamrock joined the Board as Treasurer. Richard has done a great job in such a short time with the preparation of the budget and these accounts.

The finances of the club are in great shape. The chairman of the Development Committee reports on the achievements of the past seven years and it is interesting that in spite of all the things we have done, our cash reserves this year total \$140,486 compared with \$83,090 at the end of 1993. Whilst we have not yet been offered a new lease by the Lands Department, we understand that this matter is now proceeding and we look forward to receiving a new lease in the near future.

A large measure of the success of our club is the enormous effort contributed

by so many within the club. To all members of our committees, the Board, the flag officers and the starting team, I would like to say thank you for your support and assistance during the year.

Thank you also Faye, Maggie, Rod, Robbie, James and Denise for your outstanding effort over the year.

TONY CLARKSON
Commodore

FINANCE/ADMINISTRATION

Committee: Tony Clarkson, Fred Bevis, Tony Saunders, Richard Lamrock

I have taken on the role as Treasurer mid way through the financial year relieving the previous Treasurer, Tony Saunders, of some of his workload at the club. I continue to enjoy the benefit of his close assistance on our committee.

The financial results for the year indicate a modest profit of \$9,508. The club continues to be free of financing commitments and carries forward cash reserves of \$140,486 (1999 \$136,255). The conservative financial management of the club has continued. Costs to members (fees and charges) have been minimised. Expenses have been tightly controlled and supplemented with the extraordinary non-financial inputs from our membership. The club has maintained reasonable cash reserves to underpin our financial future.

Due to the continuing uncertainty over the extension of the lease on the clubhouse, the Board has directed capital expenditure in the year to the mobile assets of the club. Significant capital was spent on the rebuilding of the two club boats, *Nancy K* (club tender) and *Captain Amora* (starters boat) in line with the long-term objectives of the club.

Income for the year increased by 6% over last year principally due to increased services income (labour sales increase of \$30k) in the boatshed as a result of better management practices. Other sources of income remained steady over last year as can be seen in the divisional breakdown of the operating statement that follows. Close control of operating expenditure has resulted in the same levels of expenses in all areas as last year.

The new computer system (MYOB) installed by Fred Bevis is proving excellent reporting and control of the club's financial activities and will carry us forward equipped for the unfortunate challenges of the Goods and Services Tax.

The smooth administration of the club's affairs has continued due to the club's capable permanent and casual staff. In particular I thank Faye for her efforts in the office and her ability to adapt quickly to a change in Treasurer.

RICHARD LAMROCK
Treasurer

BOATSHED

Committee: Russ Chapman, Mike deBurca, Richard Lamrock, Bob Lawler, Keith Radford, Michal Tomaszewski, Dal Wilson, Trevor Cosh, Charles Maclurcan

It was a big year for the boatshed. Revenue needed to be maintained whilst the club workboats were refitted.

Nancy K was first to emerge with a total rebuild and new engine. Work undertaken was somewhat more extensive than originally envisaged. Large areas of deck structure

were rebuilt and the hull totally stripped and repainted. Concern was expressed at the increased cost, however, upon detailed review the work completed was well under complete renewal costs. She immediately commenced service and at time of writing will have completed about 800 hrs of work. This is a substantial amount of time for any boat and indicates just how hard the club tender operates.

Captain Amora was then re-engined. The old Leyland diesel had served us well but with the new Volvo engine the vessel really has a turn of speed! It is a little glib to state that the vessel was re-powered in such simple terms. The procedures were labour intensive with many members helping out. The old engine was removed on the RSYS hard-stand with about ten able assistants. Once the new engine was installed, Bob Lawler assumed the role of ensuring that the existing gear could cope with nearly three times the power. This meant a very difficult job replacing the propeller shaft in very narrow deadwood on the SASC slips. Once again thank you Bob and Mick Lawler and your bank of helpers.

The engines in both boats are subject to maintenance by the suppliers.

Meanwhile revenue was maintained. Indeed the overall income from boatshed operations increased by a very satisfactory amount.

During the year a preliminary pontoon design in steel was priced in order for us to factor in a replacement amount for the existing pontoon.

Towards addressing safety issues, a clean up of the boatshed premises occurred. This certainly revealed some hidden treasures. Most of these ended up on the tip.

Further safety issues will be dealt with in a new set of By-Laws that will be presented to members in the coming months. The By-Laws recognise the fact that the club is in control of areas that may be considered hazardous and polluting. It is the responsibility of the Directors to draw members' attention to the various Acts that now govern good practice within these areas. This is not just related to Director's liability but affects the effectiveness of the club's insurance. Members will be bound by the By-Laws.

My thanks to the committee, the boatshed staff for the continuing smooth operations and the parade of volunteers, without whom we could not continue.

CHARLES MACLURCAN
Vice Commodore

DEVELOPMENT

In 1994, the club's Development Committee prepared a plan for major projects at the SASC clubhouse and boatshed. The plan included some very expensive items that may never happen, but most were necessary to maintain or improve the facilities for the existing activities of the club. Since the plan was prepared, considerable progress has been made on these items. The work completed has included internal refurbishing of the clubhouse, upgrading of the electrical system, the provision of a slipway pollution-control system, the installation of a sewage pump-out system for boats, the upgrading of the club's water supply, the upgrading of the club's sewage

pumping system, the provision of flammable stowage for the workshop and slipways, the installation of a sprinkler system throughout the clubhouse and boatshed, progressive repairs to the pontoon and the publication of the book to mark the 125th Anniversary of the club's foundation.

The plan also included a provision of \$180,000 to replace the club boats *Nancy K* and *Captain Amora*. Both boats have been given major refits in the past year as part of the project to replace the engines with new diesels. They are now in excellent condition and replacements should not be required in the foreseeable future.

There remain a number of items that will need to be progressed in the next few years. These include replacement of the pontoon, the refurbishment of the exterior of the clubhouse and the boatshed, the refurbishment of the ladies amenities and, in due course, the replacement of *Jack Millard*.

During the year, further unplanned maintenance was needed on the present pontoon. The design of a new steel pontoon was completed during the year, and this design was used as a basis for costing and planning for the replacement of the pontoon. It is, however, not the only option and proposals will be invited from industry in the coming year to supply a new pontoon based on a performance specification.

This work, and that planned for the clubhouse is dependent on the club securing a new lease for the premises. The current lease expires at the end of 2000 and as previously reported the renewal of the lease has been under discussion with the appropriate authorities for some time. The paperwork is progressing and we expect that details of the new lease should be known soon.

In the last year, the club has obtained a presence on the World Wide Web, and the club's web site www.sasc.com.au provides general information about the club's activities, sailing programme, race results, photographs of club activities and copies of the *SASC News*. The site receives about 40 hits a week and visitors have been from as far away as the United States and Britain. For the coming season sailing instructions, race entry forms and other useful documentation like protest forms will be added to the site.

JOHN JEREMY
Director

CLUBHOUSE

I don't know if someone is trying to tell us something but for the second year in a row, at the beginning of the social year for the Amateurs (i.e. Friday Twilights), we were threatened with disaster — we couldn't find anybody to work the bar! Thankfully, the talented team from Chefs-on-the Run dropped out of the sky, rolled up their sleeves and got into it.

Since then, we have been able to run well-attended functions following races on Fridays, Saturdays, Sundays and Tuesdays. Also there has been Flag Officers' Night at the beginning of the spring/summer racing season, the Idle Hour and of course, Mothers' Day. At the latter function, our Commodore showed the benefit of his

experience last year and was able to prepare a superb breakfast for everyone in record time. Of course, we had help from Cyn and Clayton McLellan, Anne Lawler, Bill Furness and Keith Radford. I also have to thank Damien from the Welcome Hotel in Rozelle for his very generous donation of the prize for the Mothers' Day trivia quiz which was enjoyed by competitors and organisers alike.

Organizing these functions would have been an horrendous task if it hadn't been for the help and guidance that I received from Faye Buckley in the office, Robbie our tender driver, the club's directors who have been Officer-of-the-Day and of course, Trish Osborne who seems to be able to do anything and everything.

Of course as with all club activities, there are many others who have helped. To you all, thank you for your continued support and hard work over the past year.

CHRIS OH
Rear Commodore

"The Amateurs"

THE CLUB YACHT

The Amateurs completed a successful season. The boat was well utilised during the first half of the season being raced in some of the Saturday races and the Twilight series.

The program of upgrading and improving systems and equipment continued. This year we fitted a new variable adjustment headsail sheeting system plus new boom, halyards, blocks and a new competition main (largely through generous sponsorship and fund raising efforts). All these have made the boat easier to sail for both racing and training purposes.

A major event contested this year was the Super 10 National Championships in January and a crew consisting of J Bevis, R Fitzgerald, S Highfield, R Langley, M Lawler, A Rolleston and J Sturrock was formed to campaign *The Amateurs*. The six race series was run (successfully) by the MHYC in the Sound course area and was predominately a heavy-air series. The first races being run in 20-30 kn winds. It certainly makes for exciting sailing in these fast boats, surfing into the leeward mark three or four abreast at 10 kn does not allow you to get away with mistakes. Our crew, however, was more than equal to the task but our boat speed was not quite up to the level of the top boats, largely due to our lack of opportunity to tune the rig against others in the class. Whilst our performance was better than before and we featured in the handicap results, a podium finish on scratch still eludes us.

During the latter part of the season the boat was not as well utilised as it could have been, due in part to a reinforcement of the Racing Committee's decision not to allow *The Amateurs* to win major trophies within the SASC and the fact that a number of the stalwarts who support the boat found themselves with time commitments (babies) that took precedence. *The Amateurs* is now on the go again and taking a serious tilt at the CYC winter series. This does highlight the fact we would like more people to partake in the fun associated with this club boat.

Overall a moderately successful year and the Adams 10 committee would like to acknowledge the generous assistance of Raymond Forklifts, Ronstan, Macdairmid Sails, Sturrocks Shipchangers and the Bevis family.

JOHN STURROCK

Chairman Adams 10 Committee

RACING

The season 1999-2000 has been contested in the usual divisions over Saturday, Sunday, Friday and Tuesday.

The Traditional division has seen a slight increase in fleet numbers and raced as always in a friendly and competitive manner. This year saw the addition of the Logan Cup — a four race series embedded in the usual full season point score. Reportedly numbers will be greater next year, and may possibly mean two divisions.

Cavalier 28 division has grown in numbers and intensity and highlighted the success of a short series (the Norm Brown Series) within their regular season. Racing in the State Championships was fast and furious and kept the Protest Committee alive.

Divisions 2 and 7 raced as keenly as ever but saw a slight decrease in numbers — next year we will combine fleets with Royal Sydney Yacht Squadron while still maintaining a point score for SASC boats. The RSYS has agreed to embed an eight race series in the regular series to accommodate those not able to race every Saturday. I would encourage all yachtsmen to support our joint venture with the RSYS.

The Heavy division racing on Sunday had a solid core of racers with numerous others appearing from time to time. The club is encouraging Sunday racing, as with less activity on the harbour it makes for more enjoyable sailing. The Light division struggled for numbers. Next year we will try and build numbers in this division and generally try and broaden the appeal of Sunday racing by introducing a non-spinnaker division. Initially they will race with the Gaffer division as we ascertain its popularity. Hopefully it will be a natural flow on from twilight racing.

The moderately serious Friday and very serious Tuesday twilight divisions have maintained their popularity and will remain unaltered. The Tuesday twilights proved that with careful handicapping we could have close racing with a wide disparity of handicaps. The second lowest handicap just edged out the highest handicap despite a 20% difference in relative handicaps.

Next year the Race Committee will endeavour to provide good keen racing and we will give greater encouragement to other clubs to join us on some of our race days. Already we have planned a short series with RANSA and combined fleet racing with RSYS.

The Daydream Shield is back on the programme and our annual competition with Middle Harbour Yacht Club will be re-activated in a slightly different format and planned for 26 November.

The Olympics will necessitate a later start to the season with the first race (a twilight race) on 6 October. Generally there will be a race for every level of skill and competitiveness in the club racing programme so make an effort to be part of the fun of racing.

As always I owe a debt of gratitude to Maggie for her tireless efforts to get all the paperwork done and the harass all those recalcitrant sailors to get safety certificates, entry forms and fees in before racing.

TONY WAUGH
Chairman of Racing

FINANCIAL REPORT 31ST MAY 2000

In accordance with a resolution of the board of directors, the directors report as follows with respect to the company's results for the financial year ended 31 May, 2000 and the state of the company's affairs at that date.

DIRECTORS

The names of the directors of the company in office at any time during or since the financial year and the period for which they were director are:

NAME	QUALIFICATIONS	MEMBERSHIP	SPECIAL DUTIES
A.M. Clarkson	Company Director	15 years	Commodore
C.B. Maclurcan	Architect	22 years	Hon Secretary to 1/12/99, Vice Commodore from 1/12/99
C.G. Oh	Electrical Engineer	18 years	Rear Commodore
F.J. Bevis	Company Director	23 years	Immediate Past Commodore
R. A. Lamrock	(1) Electrical Engineer	15 years	Hon Treasurer
A.A. Saunders	Management Consultant	27 years	Hon Treasurer to 1/12/99, Hon Secretary from 1/12/99
P.A. Waugh	Veterinary Surgeon	13 years	Chairman of Racing
J.A. Crawford	Architect	15 years	Director
J.H. Gibson	Solicitor	38 years	Director
J.C. Jeremy	Naval Architect	29 years	Director
R.H. Lawler	Mechanical Engineer	23 years	Director
J.K. Morris	Project Engineer	23 years	Director
M.K. Tomaszewski	Architect	24 years	Director
D.P. Williams	Solicitor	23 years	Director
R.A. Wilson	Horticultural Consultant	12 years	Director
R.J. Evans	(2) Company Director	9 years	Vice Commodore to 1/9/99

(1) Appointed 2 February 2000

(2) Resigned 1 September 1999

PRINCIPAL ACTIVITIES OF THE COMPANY

The principal continuing activity of the company during the financial year was to promote the sport of amateur sailing.

TRADING RESULTS

The operating surplus after income tax of the company for the year to 31 May 2000 was \$9,508.

REVIEW OF OPERATIONS

The Club's sailing, slipways and social programmes all continued satisfactorily when compared to the prior year.

The Adams 10 sail training programmes continued to operate satisfactorily during the year. Funds were expended on maintenance and improvement to the Club's vessels, slips, mooring, pontoon and clubhouse. Other assets were satisfactorily maintained during the year. In the near future, major expenditure will be required for the re-cladding of the clubhouse.

The Club had 25 new members during the year and overall numbers were steady at 402.

DIVIDEND

No dividend has been recommended or paid during the year, as the Company's Articles of Association do not permit payment of dividends.

SIGNIFICANT CHANGES IN STATE OF AFFAIRS

There were no changes in the state of affairs of the company during the year.

AFTER BALANCE DATE EVENTS

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations, or the state of affairs of the company in subsequent financial years

LIKELY DEVELOPMENTS AND RESULTS

The company will continue to promote the sport of amateur sailing through its racing and training programs.

MEETINGS OF DIRECTORS

During the financial year, 11 meetings of directors were held. Attendances were:

	Number eligible to attend	Number attended
A.M. Clarkson	11	10
C.B. Maclurcan	11	10
C.G. Oh	11	8
F.J. Bevis	11	11
R.A. Lamrock	4	4
A.A. Saunders	11	10
P.A. Waugh	11	10
J.A. Crawford	11	10
J.H. Gibson	11	7
J.C. Jeremy	11	10
R.H. Lawler	11	11
J.K. Morris	11	9
M.K. Tomaszewski	11	9
D.P. Williams	11	7
R.A. Wilson	11	8
R.J. Evans	3	2

DIRECTORS' BENEFITS

Since the end of the previous financial year, directors were entitled to use Club facilities on the same basis as other members of the club. Apart from the above, no director has received or become entitled to receive, during or since the financial year, a benefit because of a contract made by the company with a director, a firm of which a director is a member or an entity in which a director has a substantial financial interest, other than as shown in the company's financial report

DIRECTORS AND AUDITORS INDEMNIFICATION

The company has not, during or since the financial year, in respect of any person who is or has been an officer or auditor of the company or a related body corporate, indemnified or made any relevant agreement for indemnifying against a liability, including costs and expenses in successfully defending legal proceedings.

During the financial year, the company paid a premium to insure the directors and secretary of the company. The policy prohibits disclosure of the amount of the premium and the nature of the liabilities covered.

Signed in accordance with a resolution of the Board of Directors.

A. M. Clarkson

Director

Dated this 15th day of June 2000.

**SYDNEY AMATEUR SAILING CLUB
NOTES TO THE ACCOUNTS**

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are a general purpose financial report that have been prepared in accordance with applicable Accounting Standards, other mandatory professional reporting requirements and the Corporations Law. The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the material accounting policies adopted by the company in the preparation of the accounts.

Income Tax

No charge has been made in respect of income tax as the company relies on the exemption from income tax granted by Section 50-45 of the Income Tax Assessment Act 1997. Therefore, it is not appropriate to adopt the principles of tax effect accounting.

Inventories

Inventories are measured at the lower of cost and net realisable value.

Property, Plant and Equipment

Property, plant and equipment are brought to account at cost less, any accumulated depreciation. The carrying amount of property, plant and equipment is reviewed

The accompanying notes form part of these financial statements.

This statement should be read in conjunction with the attached report by Horwath Sydney Partnership.

annually by directors to ensure it is not in excess of the recoverable amounts from these assets. The recoverable amount is assessed on the basis of the expected net cash flows, which will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to their present value in determining recoverable amounts.

Two boats were revalued during the year and depreciation applied to the revalued amount.

The depreciable amount of all fixed assets is depreciated on a straight line basis over their useful lives to the company commencing from the time asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

	2000	1999
Clubhouse	4%	4%
Boatshed and plant	2%	2%
Pontoon	27%	27%
Furniture and fittings	10 – 20%	10 – 20%
Boats	5 – 15%	5 – 15%

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in at call deposits with banks or financial institutions.

Employee Entitlements

Provision is made for the company's liability for employee entitlements arising from services rendered by employees to balance date. Long service leave is accrued in respect of all employees with more than 5 years' service with the company.

The provision for employee entitlements has been measured at their nominal amount and is allocated between current and non-current liabilities. The current liability being the amount that is due to be paid in the ensuing twelve months. Because the company has relatively few employees, the adoption of this basis is believed to produce a result which is not materially different from the present value method prescribed by AASB 1028: Accounting for Employee Entitlements.

Contributions are made by the company to employee superannuation funds and are charged as expenses when incurred.

Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred. This basis is representative of the pattern of benefits derived from the leased property.

Receivables and Revenue Recognition

Trade debtors are recognised and revenue is taken up when the Club services have been provided to members and visitors. Sales revenue represents gross proceeds received and receivable from customers. Collectability of trade debtors is reviewed on an ongoing basis. Debts that are known to be uncollectable, are written off. A provision for doubtful debts is raised where some doubt as to collection exists.

Financial Reporting By Segments

The club operates in predominantly one industry – the promotion of amateur sailing and in one geographical area – Sydney.

**SYDNEY AMATEUR SAILING CLUB
DIRECTORS' DECLARATION**

The directors of Sydney Amateur Sailing Club declare that:

- (a) the financial statements and notes comply with accounting standards and give a true and fair view of the financial position and performance of the company for the financial year ended 31 May 2000; and
- (b) in the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors and is signed for and on behalf of the directors by:

A M Clarkson
Director

Dated this 15th day of June 2000.

SYDNEY AMATEUR SAILING CLUB INDEPENDENT AUDIT REPORT

HORWATH

1 Market Street Sydney NSW 2000

Independent Audit Report to the members of Sydney Amateur Sailing Club.

Scope

We have audited the financial report of Sydney Amateur Sailing Club for the financial year ended 31 May 2000 as set out on pages 15 to 24. The company's directors are responsible for the financial report. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the company.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements and statutory requirements so as to present a view which is consistent with our understanding of the company's financial position, and performance as represented by the results of its operations and its cash flows.

The audit opinion expressed in this report has been formed on the above basis.

Audit opinion

In our opinion, the financial report of Sydney Amateur Sailing Club is in accordance with:

(a) the Corporations Law, including:

- (i) giving a true and fair view of the company's financial position as at 31 May 2000 and of its performance for the year ended on that date; and
- (ii) complying with Accounting Standards and the Corporations Regulations; and

(b) other mandatory professional reporting requirements.

Inherent uncertainty regarding completeness of income

As is common for organisations of this type, it is not practicable for the Directors to maintain an effective system of internal control over all income until its initial entry in the accounting records. Accordingly, our audit in relation to the income was limited to the amounts recorded.

Dated the 20th day of June 2000.

DISCLAIMER

To the members of Sydney Amateur Sailing Club.

The additional financial data presented on page 27 to 29 is in accordance with the books and records of Sydney Amateur Sailing Club which have been subjected to the auditing procedures applied in our statutory audit of the company for the year ended 31 May 2000. It will be appreciated that our statutory audit did not cover all details of the additional financial data. Accordingly, we do not express an opinion on such financial data and no warranty of accuracy or reliability is given.

In accordance with our firm policy, we advise that neither the firm nor any member or employee of the firm undertakes responsibility arising in any way whatsoever to any person (other than Sydney Amateur Sailing Club) in respect of such data, including any errors or omissions therein however caused.
