

## **SYDNEY AMATEUR SAILING CLUB SAILING INSTRUCTIONS Lion Island Race**

### **AMENDMENT No. 1**

3<sup>rd</sup> September 2020

The following is an addition to the SASC Lion Island Sailing Instructions:

#### **Item 18: RESPONSIBILITY:**

COVID-19 Restrictions:

As always, skippers take responsibility for the health and safety of their crew including the current Government COVID -19 restrictions and recommendations.

Competitors are directed to the SASC Update on the Covid19 Pandemic found at <https://sasc.com.au/covid19-update/> and Australian Sailing's Covid-19 Information Hub found at <https://www.sailingresources.org.au/covid-19/>

On 27 August 2020, the NSW Government issued public health recommendations aimed at restricting persons from pre-determined regions from participating in sporting activities with persons from other regions. Those regions are described here: <https://cdn.revolutionise.com.au/cups/austsailclubs/files/rohwdm1lapwtyfv6.pdf>. The stated aim of these recommendations is to reduce community transmission.

Existing recommendations on physical distancing remain in place and are outlined in the update published by Australian Sailing found at <https://www.sailingresources.org.au/covid-19/nsw/>

By competing in this race entrants are acknowledging that they have reviewed the abovementioned documents and recommendations.
