

SYDNEY AMATEUR SAILING CLUB ENTRY GUIDE

Sailing Season 2025-26

1. INTRODUCTION

This guide shows how to enter the SASC Sailing Season for 2025-26. The entry system is SailSys and is available via this link: [SASC SailSys Entry Page](#)

2. SEASON ENTRY

The [SEASON ENTRY](#) option allows a yacht to be entered in multiple series or races for a fixed price. The [SEASON ENTRY](#) option is only available until the first race day – 30th August 2025. After the first race date – contact racing@sasc.com.au for SEASON ENTRY

3. COMPLIANCE

Compliance documents must be uploaded to SailSys in order to qualify for series or race entry. This includes equipment audit / safety (Cat 4,5,7) and an insurance certificate.

To simplify entry, yachts that are entered in multiple races or series can also enter the [“Compliance” series](#). Upload the valid safety/insurance documents to the [Compliance Series](#) **once**, and the other series or race entries will be confirmed.

4. OPENING REGATTA

Yachts that are entered in one of the following series are automatically included in the SASC Opening Regatta:

- Classic Overall Series
- Super 30 Gold Cup
- Cavalier 28 Series
- Cruiser Racer Series.

Non-Series entry to the Opening Regatta – enter as a Casual to Race 1 of any of the above series. Choose the series that best matches your yacht.
