Member	20141201	2014	Tom Selby was a multi-faceted Australian personality, who lived life to the full as an Australian doctor and soldier. He lived through World War I, the Great Depression, pre-war New Guinea and experienced front-line combat in World War II as a member of the Sixth Division in the 2nd AIF. A(Tom) C. Selby, MD, donated the knot board to the Club. It was made by Sandy Boxshell of HMAS Tingira. Tom's career in medicine began as a ship's doctor. He served on SS <i>Change</i> , SS <i>Montoro</i> , MV <i>Parrakoola</i> and RMS <i>Orcades</i> , and, from his memoirs, it seems to have been a cavalcade of wild parties and comedic episodes. He served the country with distinction during World War II in campaigns in Greece and New Guinea.
